EXPERIENCE

Caledonian School

Utila Methodist Community College (Utila, Honduras)

Swallow School of English (Liberec, CZ)

NIDV Foreign Languages for Life Project (Liberec, CZ)

2014- Present – English Teacher NIDV Foreign Languages for Life Project, Liberec, CZ

As a teacher for the Foreign Languages for Life Project I am responsible for the planning, and execution of English classes for 6th through 9th classes in local primary schools. I also conduct training hours for primary and lower half secondary school English teachers designed to improve language skills and demonstrate alternative methods of English teaching. I have also received training and certification in the CLIL method of using English to teach other core subjects, such as Math and Science.

2010- Present – English Teacher Swallow School of English, Liberec, CZ

During my time at Swallow I have taught a variety of types courses and students from Adult Open Courses of all levels to Cambridge Exam prep and post Maturita courses. However, the focus of my work at Swallow over the last 4 years has been working in Primary and Secondary Schools as a Native English Teacher and material and curriculum development for the Children's teaching program at Swallow. As part of my duties I have spent many hours partnering with both Czech and Native English teachers of English to develop, design and, put in to practice various methods and materials for primary and secondary schools through out the Liberec region.

2008-2010 – English Teacher **Utila Methodist Community College**, Utila, Honduras

As a class room teacher for children ages 6 to 16, built rapport with the students and families from a wide range of cultural background. Apart from Conversational English, Vocabulary, and grammar, I also taught Literature in English, Planning class room sessions to ensure a challenging yet engaging curriculum for my students.

2007-2008 – English Teacher **Caledonian School**, Prague, Czech Republic

As an English Teacher at Caledonian School, I worked with a wide variety of students, ranging from various business and industry professionals to young school aged students with varied levels of English training.

Taught several types of classes in a variety of settings, from FCE, CAE Prep Courses and Advanced Conversational Classes to Beginners English Classes

2003 – 2007 – Test Technician/Training rep, **Spectrum Technologies**, Schenectady, NY

1997- 2003 – Nuclear Power Plant Operator, **CVN 71, US NAVY**, Norfolk, VA

EDUCATION/CERTIFICATION

CLIL Certification, NIDV, Liberec, Czech Republic

Teaching English as a Foreign Language Certification, Caledonian School, Prague, Czech Republic

Navy Leadership Training Coordination Course, US Navy Training Command, Norfolk, VA

Nuclear Engineering and Technologies, US Navy Nuclear Power School, Orlando, FL
